Trip Donation Form

If you would like to receive a tax deduction for your donation, please read and then fill out the information below.

Each individual participating on a mission trip with Vision Sports is responsible for raising the total cost of his/her trip. Any funds donated may be considered tax-deductible as long as they meet the following criteria:

- Donations must be made payable to Vision Sports rather than an individual. [IRS regulations state that contributions must be made to a qualified organization and not set aside for use by a specific person.]
• Donors may, however, indicate their preference of an individual (trip participant) to receive the benefit of their donation. (Please do not write the individual trip participant's name on your check.)
• Donations are given to support the overall ministry of Vision Sports and are non-refundable.

If you would like your donation to be considered tax-deductible, please initial both statements, fill in the information below, and return this form along with your donation to Vision Sports:

I understand that I may indicate a specific person (trip participant) that I would prefer to receive the benefit of my contribution but grant Vision Sports complete discretion and control over the use of my donated funds to best benefit the organization in the event that the person I choose to support cannot go for any reason or if he/she raises more than required for his/her trip.

I understand that my contribution is non-refundable.

The person I would prefer to support is:

He/She plans to go on a trip to:

The amount of my donation is \$ Check # or Cash

Signature Date
